Class rules

- Class 1-3 will run as normal classes, first round and timed jump-off
- Horse & Hound – rider jumps a timed course of 8 fences on horse/pony, rides to the corner of the arena where dog is being held, rider jumps off, gives horse to helper, takes dog and runs around a shorter course of 8 fences. You can have a different person run with the dog, but **you must** dismount before the runner starts.
- Mini Major Pairs – one to be riding a pony and one to be riding a horse (see previous page for pony/horse clarity) Pony will jump a course of 65cm and horse will jump a course of 85cm. Change-over will be in opposite corners and an official will raise their arm to allow horse to start.
- Gamblers Choice – pony class will start at 55cm, horse class will start at 65cm. There will be 8 fences at various heights. You have 60 seconds to jump as many fences as possible, in either direction, each fence will be worth different points. If you knock a fence, the points will not count and it will not be rebuilt. There will be a joker fence that will be worth 20 points, however if you knock it down, 20 points will be deducted from your total. When the bell signals at the end of 60 seconds you **must** not jump another fence and you **must** go through the finish gates or you will be eliminated.
- Puissance – ponies will start at 75cm, horses will start at 95cm. A maximum of 5 rounds will be jumped. The first round will have 2 other fences to jump, these must be cleared to progress to the next round. Round 2-5 will only have 1 fence and the wall to clear.
