Manx Horse Council Team Dressage Rules – please read carefully

- * The percentage marks of all four team members will be added together to give the team score. The winners will be the team with the highest aggregate score.
- * In the event of a tie, the team with the member who scores the highest individual percentage will be the winners.
- * Competitors are expected to compete at the level at which they have competed at during the season.
- * The rules of the challenge will incorporate all the rules of the hosting organisation.
- * Competitors must be members of a club/organisation that is affiliated to MHC

General Rules for MHC Challenge Events 2022

1. All team members must be bona fide members of an organisation affiliated to the Manx Horse Council and with affiliation fees paid for that year. Teams will be made up of 4 riders on 4 different horses /ponies unless stipulated otherwise. All 4 scores to count with appropriate penalties added to the score of those eliminated with no discard scores.
2. A competitor may ride a second horse in the same challenge if entries allow but only for a "B" team from the same organisation as their first ride.
3. Team entries must be declared before the entry deadline.
4. Riders must be suitably mounted. Horses and ponies must be up to the weight to be carried and be an appropriate size for the task in hand. The final decision will be made by the chairperson of the Manx Horse Council or by an individual appointed by the chairperson.
5. Challenge Competitions are to be run separately from non-challenge classes where possible and on a "stand-alone" date. In some disciplines this may not be feasible.
6. The first performance of the day of members to count for the team score. Performing at a lower level than the team declaration is not allowed. Riders may enter other classes (if time allows) but only after the counting team effort.
7. Lead rein riders are excluded.
8. Schedules for the challenges are to be made available 2 months in advance of the competition.
9. There will be a trophy for the club accumulating the most points over the entire series of Challenges. Clubs will be awarded 1 point for competing and the winning team will get an additional 6 points, second 5 points, third 4 points, fourth 3 points, fifth 2 points and sixth 1 point.
