Rules: - Please read rules of entry

You can only enter two classes per horse/pony, and a maximum of 5 rounds per rider. Entry Fee £13.00 per class. Start times will be available on the Kenna Riding Club facebook page on the Friday (or Thursday if running on a Saturday) evening preceding the event.

Withdrawal / Refunds: A full refund will only happen if you withdraw before close of entries. If withdrawn **after** close of entries, but prior to 12noon the day before the event, you will have the option to carry entries over to the next event. Any withdrawals after 12noon, the day before the event, will result in no refund being given.

Class 1 only - WILL allow assistance inside the ring i.e. to help remember the course, and encouragement, but **strictly no** leading or chasing horse/pony. Anybody who has someone in the arena to help, will automatically start with 10 penalties, whereas those without assistance will start with zero penalties.

Classes 1 & 2 - The course will consist of 5-6 show jumps, followed immediately by a simulated cross country course with 6-7 jumps. The second half of the course will be timed, and there will be NO joker fence.

For these two classes only, a longer whip (up to 70cm) will be allowed, but **not** a schooling whip.

Class 3 onwards - The course will consist of 7-9 show jumps, followed immediately by a simulated cross country course with 10-12 jumps, finishing with a 'joker' show jump fence that will be set at 10cm higher than the rest of the course. The joker fence is compulsory. The second half of the course will be timed. The usual whip rule / no outside assistance rules will apply.

G23.1: Use of Whip, Spurs & Bits

G23.1.1: Whips: The use of the whip must be for an appropriate reason, at an appropriate time, on the correct area of the horse and with the appropriate level of response.

Appropriate Reason: The whip must only be used as an aid to support the natural aids in encouraging the pony/horse forward, or to help the rider to encourage the pony/ horse in the right direction. For example, it may be used down the shoulder to keep a horse straight on the approach to a fence. It must never be used to vent a rider's temper; any use for such a reason is automatically excessive.

Appropriate Time: As an aid, the appropriate time is when the pony/horse is reluctant to go forward under natural aids i.e. seat and legs. Its use, for instance, after a refusal when a pony/horse has turned away, is excessive. Its use after elimination is excessive.

Right area of the horse: As an aid to go forward the whip may be used down the shoulder or behind the rider's leg. The use of a whip on a pony's/ horse's head or neck is always excessive use.

Appropriate Level of Response: the whip should never be used more than **three** times during any incident; and if the pony/horse is marked by the whip (skin broken or a welt) its use is excessive. (The rider is expected to know if the pony/horse has sensitive skin and must use the whip accordingly). The arm should never be raised above the shoulder whilst using the whip. The whip should always be carried and used in the backhand (handle pointed upwards) position and never in the forehand position (handle pointed downwards).

Misuse of a whip: If, in the opinion of the judge/official, a whip is misused/overused the rider may face disqualification at the discretion of the judge / official.

**Please remember that for safety arena eventing is about jumping
clear in a forward rhythm and not galloping flat out!!!**

Points

Points to sixth place, plus one point to every competitor who completes a round. Points will be accrued at every round and the winner with the most points for their class/section will be awarded a prize at the final round. In the event of a tie, the competitor who has taken part in the most rounds will be placed higher. If this still results in a tie, then the competitor with the highest number of wins takes higher placing. Followed by highest number of second placings and third placings and so forth until a winner is found. Competitors must take part in at least three events to qualify for prizes at the end of the series.
